Bank Debit Transaction Agreement

The bank debit process is a privilege for members in good standing and allows the payment of annual membership dues on a monthly basis rather than a single lump-sum payment. For this privilege, it is understood that the monthly payment includes a service charge in addition to the amount of annual dues. The debit will be on the 15th, of each month beginning in April.

By signing this contract I understand the following:

- This authorization will be in effect from April 1 of this year to March 31 of next year. If I wish to discontinue the bank draft service after that time, I must notify **in writing**, the above-named institution and Murraywood Swim and Racquet Club **prior to March 1 of that year.**
- If such notifications are not received, drafts will automatically continue in the same manner for the following year.
- This contract is for a full year's dues and **cannot be cancelled** before the agreed upon full amount is paid. **If I stop payment of the monthly debit transaction, I am still liable to Murraywood Swim & Racquet Club for the unpaid balance of this agreement.**
- I am responsible for any additional bank fees caused by transactions due to insufficient funds in my account. I understand that rejection of my debit transaction a second time will result in the termination of the debit agreement and that full payment of the unpaid balance will be due to MSRC within 10 days of such notification.
